COMPANY PROFILE

Welcome to Cixi Leonlux Technology Co.,Ltd

Leonlux is a leading manufacturer of interior and exterior LED lighting products, and has earned high reputation for supplying quality product at competitive prices.

Continual product development and updates in legislation allows Leonlux to be at the forefrot by offering the latest technology, particularly in LED lighting, creating a recognised and trusted brand that is now being supplied around the world.

Almost of products have got the GS/LVD/EMC/RoHS/PAHs/REACH from TUV SUD. And we also apply for the ErP(874/2012) under the new policy of Europe.

FCC/ETL/cETL/LM-79 are available for North America.

Welcome to joining us!

Best regards!

Managing Director: Leon

Hybrid Version

Always bright working light even in places without power supply. Integrated Li-Ion battery.

– With integrated overcharge and deep discharge protection and battery status indicator.

– Battery and charge indicator with low battery warning.

– 2 switching levels: 100 %, 50 % light for longer light duration.

– Stainless dim function for 10%to 100%light.

– With 1.5m charging cable.

– Solid, modern aluminium housing.

– Floodlight can be continuously swivelled and locked with one hand by means of a quick release fastener.

– Sturdy tubular steel frame with plastic protective corners and ergonomically shaped plastic carrying handle

IK08 LED WORKLIGHT

For indoor and outdoor use, IP 54.
– Pleasant, glare-free working light and special light
 scattering for extensive illumination.
– Light and still very robust.
– Low heat generation, no danger of injury.
– SMD LEDs have a very long lifespan, are shock-proof
 and maintenance-free.
– Fracture- and impact-proof plastic housing with rubber
 edge protection.
– With illuminated ON/OFF switch.
– Suitable for mounting on 6037 and 6038 tripods.

Carton size	36x33x20m	58x30.5x23cm

ECONOMICAL RECHARGEABLE LED WORKLIGHT

– Excellent all–round lighting thanks to 120° beam angle,
  anti–glare and wide diffusion.

– Switch with light functions 100 – 10 %.

– The light can be used when placed upright, hanging or
  mounted on a stand.

– Robust, break and impact resistant plastic casing.

– Integrated lithium–ion battery with charging indicator.

– With ON/OFF switch.

– Suitable for mounting on 6037 and 6038 tripods.

ISPOT WORKLIGHT SERIES

For indoor and outdoor use, IP 65.
– Pleasant, glare–free working light and special light
  scattering for extensive illumination.
– Light and still very robust.
– Low heat generation, no danger of injury.
– SMD LEDs have a very long lifespan, are shock–proof
  and maintenance–free.
– Fracture– and impact–proof plastic housing with rubber
  edge protection.
– Suitable for mounting on 6037 and 6038 tripods.

Rechargeable LED Hand Lamp

– With super–bright COB LED at the front.

– Additional switching step for 1 SMD LED in the lamp head.

–Working mode: High – Low – OFF – Top

– Rubberised for improved impact resistance and optimal grip

– Adjustable up to +/– 60° with integrated magnet.

– 2 magnets at the back and fold–out hook for flexible use.

– Integrated Li–Ion battery with charging indicator.

–USB charging interface, including USB charging cable.

LuxPremium LED Rechargeable Sensor Headlamp
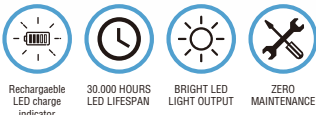

– With extremely bright LED.
– Two operating modes: manual and infrared sensor.
– Infrared sensor for hands–free operation.

– Working mode: High – Low.
– Tail light red, red flashing.
– Infinitely focus from laminary light nearby to high
  beam focused light.
– Battery pack on the back of the head for good balance.
– Exchangeable lithium–ion battery with charging indicator.
– Focus angle can be adjusted.
– USB charging cable included.

Building Telescopic Tripod

Hinged, extremely stable feet with ground mounting plates.
– Heavy–duty, stable and robust design.
– Strong stand pipes made of square steel profile,
  galvanically zinc–plated.
– Adjustable at any height up to max. 1.5 m.
– Solid attachment with anchor screws, alternatively
  with included handles.

Model	6037
Min. height adjustable	67cm
Max. height adjustable	150cm

Building Telescopic Tripod

Hinged, extremely stable feet with ground mounting plates.
– Heavy–duty, stable and robust design.
– Strong stand pipes made of square steel profile,
  galvanically zinc–plated.
– Adjustable at any height up to max. 3.0 m.
– Solid attachment with anchor screws, alternatively
  with included handles.
